

3. We are interested in seeing how these statistics have changed over time. Does the department have data for 10-20 years of some or all of this information? If not, where can we get this?
A. See Framingham Fire Department Communications Center
4. Is there anything we have not asked that would be of value for us to know?
A. No
5. Can you determine what number of social service related calls are due to people utilizing agencies from out of town?
A. No

Special Programs

Please name and describe any program or training, relevant to, or coordinated with any social service agencies in Framingham. Please give specifics on funding, need, and other relevant information.

A. N/A

Final Question

Is there anything we have not asked that you think would be of value for us to know?

A. There is nothing we would like to add at this time.
